INNOVATION VENTURES, LLC, et al.,

No. C 12-05523 WHA

Plaintiffs,

13

PITTSBURG WHOLESALE GROCERS,  
INC., et al.,

**ORDER REGARDING  
REQUEST TO ENTER  
STIPULATED JUDGMENT**

14

Defendants.

15

Given that defendant Rayco Fuels, Inc., d/b/a Jacumba Shell can only appear by way of  
counsel, it is impossible for the Court to enter the stipulated judgment. Counsel for plaintiffs  
should consider a dismissal against defendant Jacumba Shell in exchange for a private  
agreement. Alternatively, the Court would consider entering a default judgment against Jacumba  
Shell provided that service of the operative complaint and the summons have been made with  
proof of service provided. But, in that event, the relief granted can be no greater than provided  
by law for a default judgment.

**IT IS SO ORDERED.**

Dated: April 4, 2013.
